**TRANSPORTATION SECURITY ADMINISTRATION
PQR-BONNIE-EDS PRODUCTION CONTRACTS-1 – EXPLOSIVE DETECTION SYSTEMS**

[NAME] (the “Applicant”) provides to the Transportation Security Administration (“TSA”) Explosive Detection Systems (“EDS”) for the Electronic Baggage Screening Program (“EBSP”), a Department of Homeland Security Level 1 Investment Program that facilitates acquisition and deployment of checked baggage screening systems (the “Technology”). The EBSP provides Explosive Detection Systems used to screen passenger checked baggage and to deter, detect, mitigate, and prevent transportation of explosives on commercial aircraft.

The Technology is provided under contract number TBD to TSA for use in TSA-controlled airports only.
